WASEEM HAKEEM

FULL-STACK DEVELOPER

As a software engineer with more than 3 years of experience, I have a strong foundation in a variety of programming languages and technologies, including ReactJs, Ruby on Rails, and SQL. I am skilled in test-driven development and have a passion for building high-quality, well-designed software that is both functional and maintainable. I am always looking for new opportunities to learn and grow as a developer, and I am excited to connect with others in the industry to share knowledge and ideas.
